

The illustration features a boy on the left and a girl on the right, both smiling and waving. The boy has dark curly hair and is wearing a green polo shirt and dark green shorts. The girl has dark hair in pigtails with green headbands and is wearing a green and white striped shirt and a light-colored skirt. In the center, a large orange circle contains three anthropomorphic geometric shapes: a blue triangle at the top with two eyes and a small mouth, a pink circle on the right with two eyes and a smile, and a green square at the bottom with one eye, a smile, and rosy cheeks. The text 'FIGURY' is written in white with a pink outline, and 'GEOMETRYCZNE' is written in white with a green outline, both overlapping the central shapes.
